

25th January 2011

Dear Customer

CHANGES TO GENERAL CARGO STORAGE FEE STRUCTURE

Air New Zealand has revised its general cargo storage fee structure. From 14 February 2011, general cargo will be stored free of charge for the first 24 hours, after which the normal 15c per kg per day rate will apply, with a minimum charge of \$25.

All storage fees are zero rated for GST.

There is no change to the current fee structure for storage of Consolidated, Chiller, Freezer or Valuable cargo. Please refer to the attached Air New Zealand Cargo Terminal Service Fees card for further details.

Yours faithfully

Stephen McKeefry
Air NZ Cargo - International Cargo Operations Manager
